BE OPENED MONDAY, JAN. 12, 1874.
THIS EXHIBITION IS A NEW
and novel enterprise, by which inventors and
manufacturers may make a personal exhibition of
the articles of their own production, and which for 2
days or weeks at the most, free, and where pro-
prietors may find constantly on exhibition, samples
improved implements, machines, and other manufac-
tured articles. By this means numerous articles,

We shall have convenient rooms to exhibit the

We shall expose framed *Advertisements or Business Cards* straped around the walls, or other places, across throughout the room, in as suitable a manner as possible, so as to attract the notice of the visitor, expending no pains or expense to the contrary.

and we are ready to receive goods or alterations. We would, therefore, solicit your patronage, and trust by a strict and prompt attention business to merit your favor.

Yours very respectfully,
